Marathon County Surveyor

Date

O:\SURVEYING\CORNER_REQUESTS\Remonumentation_Request_Form

Pursuant to Marathon County Board Resolution number 87-89 adopted 1989, authorization is hereby requested to remonument the following U.S. Public Land Survey corner(s). All corners established or re-established must comply with A-E-7, and proper insurance requirements must be complied with. If remonumentation is not completed one year from date approved (within the calendar year of request) this request becomes invalid. This request must be approved before payment will be processed.
