### **Special Plan Provisions**

Your group dental plan from Delta Dental of Wisconsin includes one or more special features designed to encourage good oral health and promote overall health. Details of these provision(s) are addressed in the policy amendments provided with your dental plan handbook. Below is a brief summary.

#### ***Evidence-Based Integrated Care Plan: Expanded benefits for persons with medical conditions that have oral health implications***

- Delta Dental of Wisconsin's Evidence-Based Integrated Care Plan (EBICP) option is included in your plan. It provides additional benefits for persons with medical conditions that have oral-health implications. Conditions include:
  - Diabetes
  - Pregnancy
  - High risk cardiac conditions
  - Kidney disease
  - Weakened immune system
  - Cancer therapy
  - Periodontal disease
- EBICP's unique enrollment mechanism requires no medical claims be filed.
- EBICP requires self-enrollment by the patient or his/her provider at [www.deltadentalwi.com](http://www.deltadentalwi.com), or by calling 800-236-3712.

#### ***CheckUp Plus™***

- CheckUp Plus™ lets you obtain diagnostic and preventive services - including examinations, X-rays, regular cleanings and other related treatments - without the costs of those services applying to your individual annual maximum.
- The full value of your annual maximum is applied to the benefits you receive for basic and major restorative services.
- CheckUp Plus™ promotes regular visits to the provider for exams and cleanings, which can improve your oral health and overall health.

### **Confirming Your Coverage**

If you are not sure of the effective date of your coverage, please call Delta Dental at 800-236-3712 before you have any dental work done.

Also, before scheduling appointments for extensive dental care, you may ask your provider to send the treatment plan to Delta Dental. The plan will be reviewed by Delta Dental and you and your provider will receive a **Predetermination of Benefits** form. You and your provider may then discuss the treatment and your out-of-pocket costs. Delta Dental encourages you to be informed about your dental care.
