## Notice of Spring Election, Sample Ballots, Candidate Listing, and Referenda Information

Tuesday, April 7, 2026

### OFFICE OF THE MARATHON COUNTY CLERK, TO THE VOTERS OF MARATHON COUNTY:

Notice is hereby given of a spring election to be held in Marathon County on April 7, 2026 at which the officers named within shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballots within.

**INFORMATION TO VOTERS** - Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter does not have acceptable photo identification the voter may obtain a free photo ID for voting from the Division of Motor Vehicles. If a voter is unable to sign the poll book due to disability, a poll worker may write "exempt." If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall enter a voting booth and cast their ballot. The vote should not be cast in any manner other than specified here. A voter who is a parent or guardian may be accompanied by the voter's minor child or ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice. A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

**OPTICAL SCAN VOTING EQUIPMENT:** The voter shall fill in the oval next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote and fill in the oval next to the write-in line. When using an *electronic ballot marking device* ("ExpressVote,") to mark a ballot, the voter shall touch the screen or use the keypad to select the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

**SPOILING A BALLOT:** If the voter spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

**AFTER VOTING:** The voter shall insert the ballot in the ballot box or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

Kim Trueblood, Marathon County Clerk

# ACCEPTABLE PHOTO IDS

Information Provided by the Wisconsin Elections Commission

## DO I NEED A SPECIAL VOTER ID CARD?

There is not a separate “Voter ID” card. There are many forms of photo ID, which you may already have, that can be used to vote. Anyone voting in person must show the original copy of their photo ID.

Anyone with a valid Wisconsin driver license or Wisconsin state ID card, or any of the documents listed below, already have the photo ID needed for voting.

## WHAT CAN I USE AS PHOTO ID TO VOTE?

The following photo IDs are acceptable for voting purposes, and can be unexpired or expired after November 3, 2020 (date of the last General Election):

- A Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended. This does not need to be a “Real ID.”
- A Wisconsin DOT-issued identification card. This does not need to be “Real ID.”
- Military ID card issued by the U.S. Uniformed Services
- A U.S. passport book or card

The following photo IDs are also acceptable for voting purposes:

- A certificate of naturalization (that was issued not earlier than two years before the date of the election)
- An identification card issued by a federally recognized Indian tribe in Wisconsin
- A driver license receipt issued by Wisconsin DOT (valid for 45 days from date issued)
- A Wisconsin DMV ID Petition Process Photo Receipt (valid for 180 days from date issued)
- A Veteran Affairs ID card (must be unexpired or have no expiration date)
- A photo identification card issued by a Wisconsin accredited university or college, or technical college that contains the following:
  - Date the card was issued
  - Signature of the student
  - Expiration date no later than two years after date of issuance, can still be used if expired
  - The ID must be accompanied by a separate document that proves enrollment, such as tuition fee receipt, enrollment verification letter, or class schedule

## WHAT WILL THE POLL WORKER BE LOOKING AT ON MY PHOTO ID?

- An acceptable photo ID for voting does not have to include a current address.
- Elector’s photograph – the photograph must reasonably resemble the elector.
- Elector’s name – the elector’s name must conform to the name on their voter registration; conform does not mean the name must be identical
- An expiration date – if the ID has an expiration date, it must meet the expiration requirements listed above

## ARE THERE ANY PHOTO IDS I CANNOT USE TO VOTE?

Yes. The following photo IDs are NOT acceptable for voting purposes:

- \* A state or federal government employee ID
- \* An out-of-state driver’s license or identification card
- \* An employment ID
- \* A membership or organization ID
- \* A Certificate of Citizenship

## ARE THERE ANY PHOTO IDS THAT CAN BE USED FOR VOTING THAT DO NOT HAVE A PHOTO ON THEM?

Yes. The following documents, which do not contain a photo, can be used for voting purposes:

- A citation or notice of intent to revoke or suspend a driver license, which is dated within 60 days of the date of the election. If your driver license has been taken away by law enforcement or a court, you may present written documentation of that fact in order to vote without your photo ID.
- A State of Wisconsin, DOT-issued, identification card without a photo, issued to those electors with a religious objection to being photographed.

## IS THERE ANYONE WHO DOES NOT NEED TO PROVIDE A PHOTO ID?

Yes. The following electors do NOT need to provide a photo ID:

- Confidential electors are always exempt from photo ID requirements. Confidential electors have applied for this status with their municipal clerk, and have presented a court order, a letter from law enforcement, a letter from the staff of a domestic abuse shelter, or the staff of an agency assisting victims of domestic abuse.
- Active Military and Permanent Overseas voters are not required to provide photo ID when they vote by absentee ballot, but if they vote in person, they must provide photo ID
- Indefinitely confined voters and voters in special care facilities can use a witness signature rather than photo ID if they vote absentee. If voting in person, they must have photo ID
